Mouse and the Moon

By Jennifer Kramer

To Mouse, the moon looked like cheese.

“I wish I could go to the moon,” said Mouse.

“I can help,” said Giraffe. Giraffe lifted Mouse with his head. The moon was still too high.

“I can help,” said Monkey. Monkey swung Mouse into a tree. The moon was still too high.

“I can help,” said Bird. Bird flew Mouse into the clouds. The moon was still too high.

“We're sorry we couldn't help,” said Giraffe, Monkey, and Bird.

“You did help,” said Mouse. “With friends like you, I don't want to leave, even for a moon made of cheese.”
