

Name:

Parent for a Day

What if you could change places with your parents for a day? What changes would you make at home?

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might...

- think about the things you don't like about being a kid.
- write down some reasons it would be cool to be an adult for a day.
- use the best reasons in your writing.
