Acting Like a Little Kid

Sometimes people do not act their ages. Tell about the last time you acted like a little kid.

If you run out of room above, use the back of this page or get another sheet of paper.

Bug in
Your Ear

I don't mean to "bug" you, but you might...

- *think about how not acting your age could be a good thing or a bad thing.*
- *make a list of things little kids do that older kids usually do not do.*
- *think about times when you wish you were a little kid again.*
