Fame, Money, or Power?

Which of these three things -- fame, power, or money -- is most important to you? Which is least important? Tell why.

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might

- list what each of those things could add to your life.
- think about the things that are most important to you in life.
- check your writing for errors in spelling, grammar, and punctuation.
