

A New Harry Potter Character

Imagine that you have been asked to create new character for the next Harry Potter book. What kind of character would you invent? Name your character and tell about him or her.

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might...

- write at least five details that describe your character's appearance.
- think about special traits your character might have.
- tell how your character would fit into the Harry Potter series.
