

Name:

Dear Veteran

Write a letter to a veteran who served in a war. That veteran might even live in your town or state.

If you run out of room above, use the back of this page or get another sheet of paper.

- I don't mean to "bug" you, but you might...think about what it must be like to be a soldier in a war.
- include words of thanks for his or her service in your letter.
- make sure your letter has a greeting, body, and closing.
