A Seasonal Story

Spring, summer, fall or winter -- which season do you like the best? Which season do you like the least? Why?

If you run out of room above, use the back of this page or get another sheet of paper.

I don’t mean to “bug” you, but you might:

• write down the first three words that come to your mind when you think of each season.
• choose your favorite and least favorite seasons.
• give three reasons for each of your choices.
