## Tarzan Is Born

*The paragraph below tells about a special date in September history. Can you find and mark ten errors in the paragraph? Look for errors of capitalization, punctuation, spelling, and grammar.*

Edgar Rice Burroughs is born on September 1 1875, in Chicago, Illinoi. As a seller of pencil sharpners, he was always looking through magazines to spot adds for his products. He read many storys in those magezines and knew that he could writ even better ones. So he started to write his own fictional tails. Some of his famous works include *Tarzan of the apes* and *The Land That Time Forgot*.
