

Backpack-tivity:

An @Home Learning Activity

Tell a Story

Introduction:

As you complete this activity, you will tell a story in pictures.

Materials:

You'll need several old magazines, a stack of index cards, scissors, glue or paste, and a pen or pencil.

Directions:

Student: Cut out four or five pictures from magazines and glue or paste each picture to an index card. Arrange the pictures in any order you like and then make up a story about what's happening in the pictures. Tell your story to your family partner. Then mix up the pictures and give them to your family partner.

Family Partner: Rearrange the pictures and make up a new story.

Talk About It:

Rearrange the pictures again and make up a story together. Write the new story on these lines.

Learn More:

Read a favorite story together.
