

Backpack-tivity:

An @Home Learning Activity

Follow Directions!

Introduction:

As you complete this activity, you will learn to give and follow good directions.

Materials:

You'll need the ingredients for your favorite sandwich, a pen or pencil, and this paper.

Directions:

Student or Family Partner: On the back of this paper, write the directions for making your learning partner's favorite sandwich.

Student or Family Partner: Read and follow *exactly* your partner's directions for making your favorite sandwich. Don't do anything that isn't included in the directions. (For example, if the sandwich calls for peanut butter and the directions don't tell you to open the jar, don't do it!)

Talk About It:

Did the sandwich turn out the way you expected? What did you leave out of the directions?

Learn More:

On the back of this paper, write the directions for making another favorite food. This time, don't leave anything out!
