

	Hall of Fame (4 pts)	Professional (3 pts)	Rookie (2 pts)	Bench Warmer (1 pt)	Points
Function of Web Site	Site works linking from the periodic table site found on Mrs. Smith's site	Site works by typing in the URL address to the page	Site works only by going to the preview mode of Photoshop	Site is not up and working in anyway shape or form	
Mechanics of Web Site	There are no misspelled words or grammatical errors	Only a couple of words have been misspelled with few grammatical errors	The amount of misspelled words is obvious and distracting as are the grammatical errors	More misspelled words than correctly spelled words	
Lay-out of the Web Site	Organized and easy to read Links done accurately	Mostly organized but a few items seem out of place	Over all appearance is a little cluttered but is still somewhat organized	Very confusing site because of being disorganized.	
Content	A lot more information than required	A little more information than required	Meets the required information	Some Information is missing	
Originality Creativity	Ideas are unique and clever	Good ideas, artistic and somewhat unique	Closely resembles other pages	No uniqueness found at the site	
Colors	All pages have used colors that are pleasing to the eye	Most pages have pleasing colors	Only the splash page has a pleasing colors	All pages have colors that clash or that are not pleasing to the eye	
Information presented	All technical words are defined and appropriately used	More than half of the technical terms have been defined.	Less than half of the technical terms have been defined.	None of the technical terms have been defined – obvious the work has been cut and pasted.	

Total points _____

Name of person whose website is being evaluated _____

Name of person doing the evaluation _____

After you have evaluated your partner's site, and your partner has given you feedback on your site, please answer the following questions:

1. What were some things your partner pointed out that you had not noticed about your own site?
2. What are two things you are very proud of about your site?
3. What is one thing you wish you had time to change about your site?
