

Name: _____

Date: _____

Grand Canyon National Park

The paragraph below tells about a special date in February history. Can you find and mark ten errors in the paragraph? You might look for errors of capitalization, punctuation, spelling, or grammar.

Located in Arizona, Grand Canyon National Park was established by the U.S. congress on February 26, 1919. The Grand Canyon is one of the worlds' natural wonders. At the bottom of the canyon is the Colorado river. Layers of rock reach more than a mile above the river. Though geologist's began too study the area in 1858, there work still continues. Did you know that the dry climate of the canyon have preserved many fossils deep in it's caves.
