

Name: _____

THE REAL DEAL ABOUT SMOKING

Directions: In this Internet hunt, you will explore a couple of pages of a special report about smoking written just for kids! Read the pages called **The Real Deal About Tobacco** and **Up in Smoke**. After reading, circle the number that best completes each statement below.

Web Resources: The Surgeon General's Report for Kids About Smoking.

<http://www.cdc.gov/tobacco/sgr/sgr4kids/sgrmenu.htm>

- The report says that in the United States, _____ kids start smoking every single day.
 30 300 3,000
- The report also says that _____ of every 100 kids are smart enough not to smoke.
 37 67 87
- Kids who smoke are _____ times more likely to end up using a drug like cocaine.
 12 22 52
- The average smoker spends _____ each year on cigarettes.
 \$70 \$170 \$700
- With that much money you could buy 162 comic books, 19 pizzas, *and* take _____ friends to the movies!
 4 14 40

Something to Think About: If you were grown up, what would you do with the \$700 you would save this year by not smoking? Write your thoughts on the back of this page.

Learn More: If you want to know more about smoking, go to the **It's My Life: Smoking** Web site at <http://pbskids.org/itsmylife/body/smoking>.
