# World's Longest Sentences

Across the seas,  
 below the deepest ocean,  
 around the world and back,  
 beneath the earth's surface,  
 over the highest mountain,  
 toward the sky,  
 off the face,  
 of the earth,  
 outside of our atmosphere,  
 upon the highest clouds,  
 through all the galaxies,  
 beyond the farthest star,  
 inside my brain, and  
 within my heart  
 is where my dream lives.

Over the couch,  
 under the table,  
 behind the chair,  
 out the door,  
 across the lawn,  
 into the backyard,  
 through the swing set,  
 behind the tree,  
 over the fence,  
 into the alley,  
 beyond my sight,  
 on the neighbor's property,  
 throughout the night,  
 without end, and  
 for too little money,  
 I chase the kids.

In my car  
 across the street,  
 over the hills,  
 around the pot holes,  
 on the lawn,  
 between the garbage cans,  
 underneath the bridge

through the woods, and  
 on the sidewalk  
 with two wheels  
 underneath the garbage truck,  
 behind an old lady,  
 behind another slow car, and  
 after an hour,  
 I finally made it to school.
