

Spooky Spiders

Food: round crackers, pretzel sticks, peanut butter, raisins

Teacher Note: Spooky Spiders can be made by placing peanut butter on a round cracker and arranging the halves of four pretzel sticks to represent legs. Add raisins for eyes.

If each cracker spider needs four pretzel sticks and one cracker, how many pretzels do we need and how many crackers do we need for our class to make spiders? (Count only the students who are here today.) Draw pictures to show what you would need.

Solution Sentences: _____

Number
Answer

Spider Challenge: If each roll of crackers has 24 crackers, how many crackers would three rolls of crackers contain?
