

# Faster Than the Pony Express: Sending E-Mail *(cont.)*

**Directions:** Your best friend, Taylor, has just moved to Florida and can't wait to hear from you and catch up on all the gossip at school. Your parents won't let you make any long distance calls, and you're too cheap to go and buy a stamp. Thank goodness for e-mail.

Taylor's e-mail address is QTPie@abc.com. Write Taylor a letter on your computer screen below. Use your imagination and pretend it's a laptop computer.
