

You wrote on my board when,
You were in school;
My berry's in a jam,
That will make you drool.

What am I?

My alope is the food,
You love on the table;
Alone I am a word,
That means you are not able.

What am I?

With trum I make songs,
For fighting the bull;
Alone I'm a dog,
That's so wonderful.

What am I?

My purr is a shoe,
You wear in the house;
Don't think of the cat,
Who just caught a mouse.

What am I?

You wrote on my board when,
You were in school;
My berry's in a jam,
That will make you drool.

What am I? *blackboard, blackberry*

My alope is the food,
You love on the table;
Alone I am a word,
That means you are not able.

What am I? *cantaloupe, can't*

With trum I make songs,
For fighting the bull;
Alone I'm a dog,
That's so wonderful.

What am I? *trumpet, pet*

My purr is a shoe,
You wear in the house;
Don't think of the cat,
Who just caught a mouse.

What am I? *slipper*
