

Green and black I grow,
On really old bread;
Or to shape into,
Something else instead.

What am I?

Many of me,
Will make up a song;
Or a message,
Please pass it along.

What am I?

You're acting crazy,
You're acting like me;
I'm a crunchy treat,
That grows on a tree.

What am I?

Green and black I grow,
On really old bread;
Or to shape into,
Something else instead.

What am I? ***mold***

Many of me,
Will make up a song;
Or a message,
Please pass it along.

What am I? ***notes, note***

You're acting crazy,
You're acting like me;
I'm a crunchy treat,
That grows on a tree.

What am I? ***nuts, nut***
