

Which answer can replace the question mark?

Circle the two answers below that will always be true.

1. =

2. =

3. =

4. =

Hint: Divide 1st balance in half.

ANSWER

Page 6: c. 2. 4

Divide 1st balance in half so  =  (Answer 2). Triple so    =    (Answer 4) or   . From 2nd
 balance, substitute  for  so    =   .
