

Syllables*

Syllables are chunks of sound. All words have at least one syllable. Syllables can be just one letter or a group of letters.

Fill in the chart using **Y** for yes and **N** for No as you solve the puzzle. Use the clues and chart to find Bub, Buba, Pat, and Patti.

	Bub	Buba	Pat	Patti
				
				
				
				

Find each animal's name.

1. The names with one syllable belong to animals without tails.
2. An animal without legs has only two consonants in its name.
3. Pat cannot jump.

*For more activities like this, see our *Mind Benders*® series.
