_____ Reasons Being _____ Years Old Is Great
(Your age) ***(Your age)***

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might…

- ***come up with as many reasons as possible why being the age you are today is great.***
- ***narrow your list down to the best reasons for being your age. If you are six years old, you should narrow the list to six reasons; if you are ten years old, you should have ten reasons..***
- ***check your writing for errors in spelling, grammar, and punctuation.***
