Cross-Country Trip

You are about to drive across the country. You can take one person with you. Whom would you choose?

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you should…

- *make a list of possible travel companions and think about reasons you would travel with each person.*
- *choose the person you would most want with you on the trip.*
- *be sure to include strong and thoughtful reasons in your writing.*
