I Need Your Advice

Think of a famous person you admire. You would like to write to that person to ask his or her advice -- and now is your chance. Write your letter below.

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you should…

- *think of three famous people you might write to for advice.*
- *choose the one person you would most like to write to. Use the correct friendly letter format.*
- *tell the person why you think she or he is special and why you have chosen to write to her or him.*
