No More Smiling!

The city council in your town just passed a new law. From now on, smiling is against the law. You wonder…

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might think about these questions.

- ***Why did lawmakers pass this law?***
- ***What would your town be like if nobody smiled?***
- ***What might happen to people who break the law?***
