Yesterday Was a Special Day

Every day is a special day. Why was yesterday so special? Write five good reasons yesterday was a special day.

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might…

- *rerun yesterday in your mind -- from the time you woke up until the time you went to bed. Make notes about what happened.*
- *choose five things that made it a very special day.*
- *check your writing for errors in spelling, grammar, and punctuation.*
