April Fool!

Think tall tale. Think big lie. Think up a tale so tall that it is impossible to believe. Then share the tale with a friend as if it is the honest truth. Just when you have your friend believing the tale *could* be true, end it with the words *April Fool!*

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might…

- ***write down some ideas that will be very difficult to believe.***
- ***combine some of the best ideas into a very tall tale that is not true at all.***
- ***be prepared to share your tale with your classmates — with a straight face!***
