

Name:

A Halloween to Remember

I turned and ran down the street. My Halloween candy went flying in every direction. You will never believe what had just happened to me...

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might...

- think about a scary or surprising thing that could happen on Halloween night.
- write five words to describe how you would feel if that happened to you.
- use good details and describing words in your writing.
