## **A Silly Vowel Story**

Here is a fun challenge: Write a silly story in which every other word begins with a vowel *a*, *e*, *i*, *o*, or *u*. Let your imagination go!

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might...
use a dictionary to help you find interesting words that begin with vowels.

- use your imagination to include creative, funny ideas in your story.
- check your writing for errors of spelling or grammar.
