

Create a new holiday celebration! What would you call your special day? When would you observe it? What would people do on your holiday?

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might...

- choose a name and a date for your holiday.
- think about a holiday that is different from many others.
- describe some special events or foods that fit with your holiday.
