Room Makeover

You have the chance to make over a room in your home. Which room would you choose? What changes would you make?

If you run out of room above, use the back of this page or get another sheet of paper.

Bug in Your Ear

I don't mean to "bug" you, but you might...

- choose the room you want to change and describe the space as it looks today.
- tell at least three things you would do to change the room. Let your imagination go!
- draw "before" and "after" pictures of the room.
