## A Backward Day

Write a story about what happened to you yesterday. Here's the twist! Reverse the order of events. Write the last thing that you did first, then write the next to the last thing, and so on until you end with the first thing that you did.

**Bug in Your Ear**

I don't mean to "bug" you, but you might...

- write a list of things you did yesterday in the order you did them.
- use your list as a checklist as you write your story.
- check your writing for errors of spelling, grammar, and punctuation.
