A Friendly Poem

Write a poem about your best friend using all the letters in his or her name.

If you run out of room above, use the back of this page or get another sheet of paper.

I don't mean to "bug" you, but you might…

- list all the letters in your friend's first and last names in a column.
- begin each line of your poem with a word that starts with each letter in his or her name.
- think about the things you like the most about your friend to include in the poem.
