

## The Little Red Hen

The Little Red Hen lived in a barnyard with a pig, a cat, a duck and her chicks. One day she found a wheat seed. She knew that if she planted it, it would grow up and when ripe it could be made into flour and then into bread.

The Little Red Hen wanted help planting the seed, so she asked the pig, the cat and the duck to help her. She called loudly, "Who will plant the seed?"

The Pig said, "Not I." The Cat said, "Not I." The Duck said, "Not I." "Well, then," said the Little Red Hen, "I will." And she did.

When it was time to harvest the wheat, the Little Red Hen called, "Who will cut the Wheat?" The Pig said, "Not I." The Cat said, "Not I." The Duck said, "Not I." "Well, then," said the Little Red Hen, "I will." And she did.
