

Statue of Liberty

Read the paragraph and then answer the questions.

The Statue of Liberty was given to the United States on July 4, 1884 by France. France gave the statue to the United States as a gift of friendship. The Statue of Liberty represents the freedom and liberty of the United States. The statue was given to the U.S. after it was made in France. The Statue of Liberty stands in New York Harbor. She is 130 feet tall. The face of the statue is 8 feet tall! The Statue of Liberty is made of copper, which is a metal. The copper has turned green over time, which is why it looks green. There are 354 stairs inside of the statue so that you can climb up to the top of the crown. The Statue of Liberty has a poem on it that talks about welcoming people in.
