

Bothoven's Message

Bothoven left a note for the Maestro that tells him where the sheet music is. To decode this note, unscramble the letters in the boxes. Then write the correct word on the line.

Dear Maestro,

e e r r m m b e

I've been trying to _____ just

u s m c i

where I put the sheet _____ . It seems to me

i o p n a e t s a

that I last saw it inside the _____

Look in there. If it's not there, then it must be

t d u f f s e

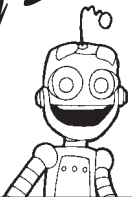

u t a b

_____ inside the _____

Good luck!

Bothoven

Botley Says:

Ha! Total fun! Write a friend a note like the one on this page but erase a few words and scramble the letters. Now your friend has to unscramble the note to figure out your message.
