

End-of-Year Student Survey

I need your help to make my class better next year, and I really want you to be honest. You do not need to put your name on this. I also ask that you think about how you say things. It's fine to be critical as long as you are respectful (not making jokes) and explain your answers.

1. I felt challenged this year.

- Yes, almost always
- Most of the time
- Some of the time
- Not really

2. I got the help I needed so that I could do my best.

- Yes, almost always
- Most of the time
- Some of the time
- Not really

3. Name something that helped you learn this year.

4. What activities and lessons did you like this year?

Question 4, continued:

5. What activities and lessons did you not like this year?

6. Name something that made it hard for you to learn this year.

7. I felt safe in my classroom this year.

Yes, almost always

Most of the time

Some of the time

Not really

Please explain your answer:

8. I felt happy in my classroom this year.

- Yes, almost always
- Most of the time
- Some of the time
- Not really

Please explain your answer:

9. What should your teacher do differently next year?

10. Was this past school year a good one for you?

- Yes, almost always
- Most of the time
- Some of the time
- Not really

Please explain your answer:
