

Reading Accuracy and Fluency Worksheet (Grades 3–5)

Directions: Read each section carefully and complete the activities. Use the extra space to practice fluent reading and written responses.

Read the Passage:

Maria practiced reading her story every evening. At first, she read slowly and made mistakes. After practicing several times, she began reading more smoothly and with expression. Her teacher noticed that Maria was becoming a more fluent reader.

1. What did Maria practice every evening?

2. How did Maria improve her reading?

3. Why is practicing important for fluency?

Fluency Practice:

Choose one sentence from the passage and practice reading it aloud three times.
