

MY BODY

This is the human body. Human beings all have the same body parts. These body parts help us eat, drink, move about, sleep and live a healthy life. They also help us see, hear, touch, smell and feel the things around us.

Draw a line from each body part to its name.

Eye

Ear

Mouth

Chest

Hands

Hips

Legs

Ankle

Head

Nose

Neck

Arms

Stomach

Knee

Feet
